—Mrs. McNaughton and child left for Galt, Ont., on Wednesday morning.

—Large quantities of wheat arrive at the mill every day now, and the price has advanced.

—Miss Dale, who has been studying under Mr. McDaniel for some time, has gone to Regina Normal School.

—Miss Florence Glover left home on Saturday for Kenilworth where she has got an appointment as school teacher.

—Miss Scarlett, sister of Mrs. Akehurst, and Miss Robinson, of the Civil Service, Winnipeg, spent Xmas at the vicarage.

—The first annual dinner of the Royal Standard Lodge, Sons of England, takes place at the Queen's Hotel this evening.

—Sergeant Purches, with his wife and family, left town about a week ago to command a detachment of the N.W.M.P., near Edmonton.

—The election of School Trustees takes place to-day, and it is to be hoped that only men who take an active interest in education will be elected.

—An assembly was held at McLane's Hall on Wednesday night last. Quite a number of the citizens attended and enjoyed a pleasant evening.

—The first of the By-Elections took place in Lanark on Wednesday last. Bennett Bosmond, the Conservative Candidate, was elected by over 400 majority.

THE LEGISLATIVE ASSEMBLY

(Continued from first page.)

WEDNESDAY, Dec. 30th.

Mr. Haultain presented a report of the Committee on Standing Orders and Library in favor of certain petition praying for amendment to the Herd Ordinance. The report was adopted and petition received.

Mr. Davidson gave notice that he would to-morrow move: That whereas in 1883, an act was passed by the Dominion Government granting second homesteads to those settlers who had completed the condition of the first homestead entry. And whereas in 1886 an Act was passed abolishing the policy of second homesteads. And whereas in 1887 an Act was passed which acknowledged the principle and right of those second homesteads. Resolved that in the opinion of this Assembly the Dominion Government should pass an Act granting to all those who came into the North-West between the said first day of June, 1882, and the second of June, 1885, and who completed their improvements in accordance with the local regulations, a second homestead. Further, that inasmuch as certain settlers to whom have been extended the privilege of second homestead entry had already paid part of their pre-emption dues previous to the granting of said privilege, that said amounts so paid should be refunded.

Moved by Mr. Davidson, seconded by Mr. Campbell, that an honorable address be presented to His Honor the Lieutenant-Governor, praying that the above resolution be transmitted to the Secretary of State for Canada.

Mr. Cayley gave notice that he would ask leave to introduce, to-morrow, a bill entitled "An Ordinance to amend Ordinance 19 of 1890."

Mr. Reaman asked leave to introduce a bill to declare the incorporation of the Saltcoats Dairy Association valid. Bill introduced and read the second time.

Mr. Cayley moved for leave to introduce a bill entitled "An Ordinance to incorporate the Synod of the Diocese of Calgary and the parishes of the said diocese." Motion agreed to; bill introduced and read the first time.

Mr. Cayley introduced a bill entitled "An Ordinance to incorporate the Ranchmen's Club of the town of Calgary." Bill read the first time.

Mr. Chinkskill gave notice that he would to-morrow make a motion praying that efforts be made to have railway communication extended immediately to the Battleford district and western part of the provisional district of Saskatchewan.

House resumed committee of the whole on the bill to amend and consolidate as amended the ordinance respecting the heading of animals. Several amendments were made and new clauses added, and after some remarks regarding submitting the bill to a legal adviser, the committee rose and reported progress.

House adjourned.

ST. PETER'S SUNDAY SCHOOL CHRISTMAS TREE.

After much excitement and great preparations the Christmas Entertainment was held in the Government Hall on New Year's Eve. Tea was served from 5 to 7 in the upper room, leaving the lower one free for games which the children indulged in to their hearts' content. After tea the Rev. H. S. Akehurst read the report of the Superintendent, which showed that 72 had been on the roll during the past year, with attendance numbering 1911, an increase over those of the previous year of 264. The infants' class was specially mentioned as having made great progress. The receipts, through offerings, etc., were \$17.06, against an expenditure of \$11.90 on the general account, and receipts for the library of \$24.85, all of which has been expended on books. To the following have been awarded prizes for general conduct and progress: First class, Fanny Gibson; second class, Carl Booth; third class, Mary Talbot; fourth class, Edna Booth; fifth class, Percy Gordon; sixth (infants) class, Ivy Gordon and Edna Talbot. Carl Booth and Harry Gordon obtained the monitors' prizes. The books had not arrived, so the prizes could not be distributed.

After a few remarks from the Incumbent, a charade in three acts was performed by some of the elder girls: Fanny Gibson, Annie Henley, Ada Bestwick, Mabel Pinder, Mary Talbot, and Laura Glover, who performed their parts very creditably, and showed that their coach, Mrs. Akehurst, had spared no pains. The Rev. F. V. Baker, in some well chosen and amusing remarks, then introduced Santa Claus, who in his usually hearty manner distributed the presents, leaving, we believe none of the young people out in the cold.

After the younger folk had gone home full of the evenings enjoyment, the seniors had some dancing and games, and brought the entertainment to a close at 12 o'clock with "Auld Lang Syne" and "A Happy New Year" all round.

THE LICENSE BILL.

We have just received a copy of the first draft of the Liquor License Ordinance, which contains, among many others, the following provisions, which in all probability will be changed in some respects before finally passed. The length of it prevents us giving such a synopsis as would give a fair idea of the chief provisions of it. Mr. Cayley deserves credit for the trouble he has taken in framing the Bill, and while in every respect it may not be just what is best calculated to keep the traffic within bounds, the intention is evidently good, and with certain modifications is all that we could reasonably expect at the outset.

SYNOPSIS OF THE LICENSE BILL.

It is proposed to grant hotel licenses, restaurant licenses (in municipalities), and wholesale licenses; and the license fees shall be for hotels \$200, restaurants \$300, and shops \$200.

Municipalities may, in addition to the above fees, by law require each licensee to pay towards their municipal revenue such sums as they may determine, not exceeding the amount of territorial duty payable on such license.

The Lieutenant-Governor in Council shall establish license districts for the purpose of the Ordinance, and shall also appoint three persons to be a Board of License Commissioners for each district.

A Chief Inspector of Licenses shall be appointed, and also an Inspector for each district.

The Board of Commissioners shall define by resolution the conditions and qualifications requisite to obtain hotel, restaurant, and wholesale licenses, and shall make provisions for regulating the same. The Board shall also fix and define the duties, powers, and privileges of the Inspectors of Licenses of their districts.

No person outside of town municipalities shall be granted a license who has not first obtained the recommendation in writing, duly attested before a Justice of the Peace, Commissioner, or Notary Public, of at least ten out of the nearest twenty householders in a direct line to the premises wherein the applicant intends to sell liquor. The Inspectors must furnish the Board with a statement of the manner in which the house has been conducted during the existence of the previous license, and whether the applicant is a fit and proper person to have a license, and is known to be of good character.

Any Municipality may appoint an Inspector, who shall have all powers conferred upon Inspectors for the purpose of prosecution.

The Commissioners shall at any time cancel any license upon proof that the licensee is not keeping his premises in accordance with the provisions of the Ordinance.

Before any license is issued, the applicant shall enter into a bond in the sum of \$500, with two sureties in the sum of \$250 each, conditioned for the payment of all fines and penalties which such person may be condemned to pay.

No license shall be granted by the Board within the limits of a license district when a majority of three-fifths of the duly qualified electors therein, who have voted at a poll taken for that purpose, have declared themselves in favor of Prohibition. Each voter shall sign a declaration that he is duly qualified, and the vote shall be taken by ballot. When a district has declared in favor of Prohibition, such Prohibition shall continue in force one year, and any future year until repealed, but such vote can only be taken once every three years.

Hotels must be closed from 11.30 p.m. to 6 a.m. on week nights, and from 10 p.m. Saturday till 7 a.m. Monday, and on all voting or election days.

Hotel keepers will be responsible for accidents to persons who become intoxicated in their hotels, to the extent of \$1000.

No more than one bar shall be kept in any house licensed under the Ordinance.

Hotel keepers are not allowed to accept goods of any kind in consideration of intoxicating liquor.

Every description of gambling, playing cards, dice, or any game of chance, with betting, or with a view to determine as to who shall pay for any liquor consumed, or to be consumed, is strictly forbidden and prohibited in any hotel, and any person found in any such place engaged in any such game as aforesaid shall be liable to be fined in any sum not less than \$20 or more than \$50.

Hotel keepers shall be liable to a penalty of not less than \$25 or more than \$50 who suffer to remain on their premises any constable during any part of the time he is on duty, or supplies him with liquor.

Any person who shall sell as adulterated any liquor which is adulterated, shall, on conviction, be liable to a penalty not exceeding \$50, and the Inspector of the district shall cause a placard stating such conviction to be fixed on the premises as directed by the Justices.

—No. 1 hard wheat 66c. per bus.

SINTALUTA.

A telegraph office has been recently opened here, and will no doubt prove a great convenience.

A very pleasant social re-union was held here in Spring Coulee School. Tea was served by the committee of ladies who had charge of the entertainment. After tea, a very interesting programme of music, (vocal and instrumental) was presented to the company, who evidently enjoyed it thoroughly, the only thing to mar the pleasure of the evening was a disturbance caused by one of the promoters of previous concert socials, who chose this opportunity to vent his grievances.

—Mr. J. Grieve tolled out the old year and rang in the new.

—Mr. A. McAlonen has gone to Wolsley, and Mr. Stephens has taken his place as night operator.

—The Rev. A. Robinson of Fort Qu'Appelle, will occupy the pulpit in the Presbyterian Church on Sunday next. There will be a meeting of the congregation on Monday evening at 7.30.
